This contract is an agreement between the CLIENT listed below, and King Construction, Inc (US, WE, OUR) to perform an inspection of a home or building according to the "Standards of Practice" of ASHI and the NCHILB or SCLLR. These standards of practice inform CLIENT of what a home inspector should report, and what is not expected of the home inspector to report. **OUR home inspection is a single trip generalist observation that is visual in nature and not technically exhaustive.
